

# Ebooks, ASAP!

In new markets and for new products, it's imperative to establish leadership in **thought** and **practice**. An Ebook is a cost-efficient option for thought leadership that can be used in many ways!

*"Thank you for your work. You delivered a great product, on time."* – Mike B., Marketing VP, Industry-leading vertical software and services firm

BroadBrush Ventures (BBV) is a team of professional writers, editors, and producers of digital and print media. We've produced books, white papers, and Ebooks in multiple languages around the world, in collaboration with *New York Times* best-selling authors and major publishers, like John Wiley & Sons and Prentice Hall. **Let us help you** produce your thought leadership in a book...today!

## What readers have said:

*"...very well-written and seems to hit all the high points...I am sure this will be useful to many, many readers."*

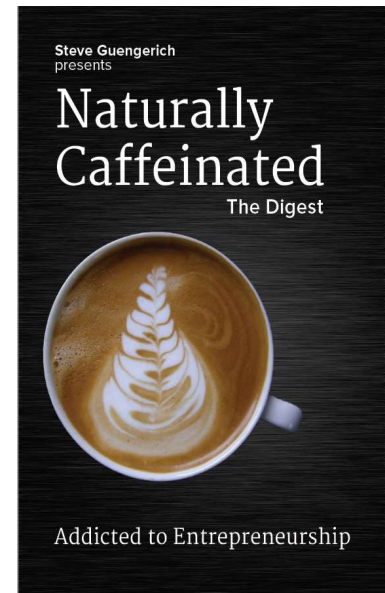

– UT-Austin E-I-R

*"Your Ebook is now in my eBooks! Awesome pieces of advice!!"*

– Tech Industry Exec

*"A refreshing and effective guide to help jump-start your new venture."*

– Author, Researcher, Consultant
